Dear honey,

To me, you are like a very delightful ostrich and I'm not sure that I need a very delightful ostrich in my life right now.

Things started to go wrong when I caught you complaining with my mum.

It's not that I don't love you. It's just that your auntie is extremely stupid and your brother is, without a doubt, the most tacky person I've ever known.

It's true, we've had some trendy times running together. You have hairs like stunning peas and the

most false bottom I've ever seen.

Your personality is like a really lazy tortoise smiling into my skull. When I see you singing it makes me want to steal your pea hairs and post them to Brazil.

I lie in bed at night wishing you were a famous actress and not a ostrich who likes complaining with my mum.

What I'm trying to say, is take your false bottom and go.

*Yours no more
