este libro se creó, maquetó y editó en el taller de hiperpublicación 100/24, un proyecto de investigación y experimentación artística de la escocesa

ed. artefactos nativos

Artefactos Nativos es un laboratorio editorial especializado en internet en el que se explora la poética de la web y se imprimen pantallas en forma de fanzines, libros experimentales, ediciones piratas y obras de escritura no-creativa.

Perros es un ensayo visual low-effort compuesto por una recopilación de imágenes de perros en fotos panorámicas recopiladas por internet y la creación de una baraja de tarot con ellas. La baraja se puede descargar para imprimir y recortar gratis en artefactosnativos.com/hiperpublicacion/.

Hiperpublicación 100/24 es un encuentro de 24 horas en el que se crean, maquetan y editan 100 libros utilizando técnicas de escritura no-creativa y material apropiado de internet.

Barcelona, 2021.
